4. Choose one of these activities to do:

- Take two pictures of the same thing – one in colour and one in black and white. Compare how the effects change the way the final picture looks.
- Using a digital camera, make a short film on a subject of your choice.
- Using a series of photographs, make a short animation sequence.
- Take a photo of people, animals, an urban scene or a landscape. Think about the light, the positioning and setting of your photo. Explain why you composed your photo in the way that you did.
