Make monster binoculars

hobbycraft

Your Beavers and Cubs will love this crafty project, which takes toilet roll tubes and turns them into something cool and quirky

Suitable for **Beavers+**

We know that Beavers and Cubs love to get crafty, so have a summer of fun together with these easy-to-make monster binoculars. All you need to make these mean, green spyglasses are toilet roll tubes, polystyrene balls and some kids' craft cupboard essentials.

What to do

1
2

3

4
5

6

You will need:

- cardboard tubes
- paint
- glue
- papier-mache paper
- chenille stems
