Dear Sirs,

I am writing on behalf of the 1st London Colney Scout Group, who are anxious in acquiring a sectional-style building that can be adapted for use as a garage to house our mini-bus, etc.

We note with interest that your Supplies Depot in St. Annes Road, London Colney, is closing down and wondered if they would have any buildings suitable for our purpose.

We would be grateful if you could help us in this matter or advise us of the appropriate people we should contact with regard to this.

Our thanks in anticipation of your kind co-operation.

Yours faithfully,

S.M. Hawkins (Mrs.)
Secretary.
