Dear Mrs. Hawkins,

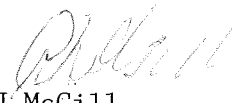

re: 1st London Colney Scout Group

I do apologise to you for the long delay in responding to your letter of the 30th July, which was acknowledged by my secretary on the 2nd August.

I have made a number of enquiries about the possibility of finding you a suitable building in which to house your mini-bus, but unfortunately I have not met with any success so far.

I will, however, continue with my enquiries and should I meet with any success I will be in touch with you.

Yours sincerely,

A J McGill
County Youth & Community Officer
