1st London Colney Scout Group  
38 Coombes Road  
London Colney  
Herts AL2 1ND

Dear Mrs Micheaud,

Thank you for your letter.

My main concern would be for the safety of the Cub Pack whilst performing the 'conga', but if this is to take place on the pavement, then there should be no difficulties. I would, however, point out the need for supervision whilst travelling through the Savacentre car park.

The matter of street collections is governed by the local council. You do not say if you have spoken with the council, and I would suggest a courtesy call, though I do not foresee any problems in this area.

I have arranged for the 'conga' to be given casual attention by patrols, and hope it is a success.

If I can be of further assistance please do not hesitate to contact me.

Yours sincerely,

B. HAYES  
Inspector
