

# BEAR'S ASTRO-NOUGHT DASH!

Visit [scouts.org.uk/bearnibbles](https://scouts.org.uk/bearnibbles)  
to download this dartboard and  
instructions on how to play.

GET READY FOR A SPACE-TACULAR MISSION!  
YOUR ARCHERY AND MATHS SKILLS WILL BE  
PUT TO THE TEST WITH THIS DART-CHERY  
CHALLENGE. HOW BEARILLIANT!

## WHAT YOU NEED

4 A4 pieces of paper

sellotape

scissors

Follow BEAR's  
Space Race at  
[bearcards.co.uk/  
spacerace](http://bearcards.co.uk/spacerace)

# BLAST OFF!

To organise an out-of-this world archery session for your fellow Space Adventurers, visit [scouts.org.uk/a-z](http://scouts.org.uk/a-z) for all archery rules and guidance. Don't forget to print off BEAR's Space-tacular Solar System dartboard & astronaut profiles from our partner page to take with you!

Set up the Solar System dartboard by pinning it onto your targets and get your Space Adventurers into teams.

Get each Space Adventurer, or team, to pick an astronaut as their space mascot who they will represent when dashing around the Solar System dartboard. Will it be the fearless Pink Phantom, prankster Hubble Trouble, quick as-a-flash Max Speed or super smart inventor Snowball?

Fig Leaf HQ is worth 50 points, so aim here for a speedy mission!

A LITTLE HINT

Each astronaut's mission is to reach zero from a starting point of 50. Wherever the arrow lands, subtract the points value from 50 eg if the arrow lands on Saturn, subtract 13 from 50.

Score! Ask every Space Adventurer to keep track of their or their team's score. Remember the first astronaut to reach zero wins! So are your Space Adventurers ready?!...On your marks, jet set, go!

## Badge

BEAR believes in getting kids back to nature, both in what they eat and what they do. So we're working with the Beavers to help them spend more time in the great outdoors whilst conquering BEAR's My Adventure Challenge Award. Leaders, take a peek at BEAR's Activity sheets for easy and exciting ways for your Beavers to tackle each challenge!
